DETAILED ACTION

Allowable Subject Matter

1. Claim 1 is allowed.
2. The following is an examiner's statement of reasons for allowance:
3. For claim 1, applicant's remark on pages 6-7 of Amendment filed on 12/08/2004 overcomes to the rejection of claim 1. In addition, the claim 1 limitations of "a transceiver cage to accommodate a transceiver module comprising: at least one resilience piece protruding from an inner wall of the housing toward the front and resilience piece comprising: a first bend section comprising a proximal for joining the housing and the resilience piece a second bent section comprising a protruding end and at least one intermediate bend section provided between the first bend section and the second bend section" is not taught by Jones or suggested by other prior art of record.
4. Jones among other difference does not disclose all limitations as discussed above, therefore does not meet claim 1 limitations which are basic to the invention, not would inclusion of such feature be an obvious change.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
